

JELCO

Pole Strap

The Jelco Pole Strap is a positioning device that is an essential item for all lineman's gear. The pole strap comes in various lengths, so you can find a size suitable for all situations. The double-locking snap hooks featured on each end are "lineman friendly" and allow for ease of use even with the thickest rubber gloves. Jelco offers the pole strap in two different materials; a nylon version and a neoprene impregnated nylon. Our pole straps meet applicable ASTM F887, CSA Z259.11 and OSHA 1926.959 standards.

Features:

- 1 3/4" Six-ply neoprene impregnated nylon pole strap featuring an interior red wear indicator.
- The double-locking snap hook has a 5,000 lb proof loaded rating.

UPC	Size	UPC	Size
87611	5' 8"	87633	6' 6"
87622	6'	87644	7'
