

JELCO

13087 - 8' Rope Safety with Off-Set Adjustor and Swivel Snap

Jelco's 8' rope safety is an essential piece to be used with your wood pole fall restricting system. The 16 strand lanyard is made of durable Yale XTC style rope with a red core for easy inspection. A 2 foot PVC protective cover is standard. This style lanyard has been used for years in the arborist industry, and has history to back it up.

Features

- 8' long. Will allow you to pass almost 4' without having to safety back in.
- Features the off-set adjustor for those that prefer it.
- Able to coil up and store in a ditty bag when not in use, or hang from a break-away hook on your belt.
- This model features the swivel snap for ease of snap placement in d-ring.

Additional Lengths Available

- 13096: 6' (*non-stock*)
- 13100: 7' (*non-stock*)
- 13087: 8'
